NEWS! NEWS! NEWS!

PLEASE WELCOME THE NEWEST MEMBER OF THE SOBEL SAFE CAMP TEAM!

We are pleased to introduce the newest member of the Sobel Camp Team!

Gwenn Kudler Gelfand CSW, will assume the role of our own in-house expert in the myriad issues that are important to the mental health and safety of your campers and staff.

Gwenn is a licensed certified social worker with more than 25 years experience working with children and adolescents. She received a Bachelor of Social Work from Cornell University and a Master of Social Work from Columbia University.

Since 1985 she has been on staff of the Schneider Children's Hospital in Long Island, New York and has worked in their departments of Psychiatry and Adolescent Medicine.

In addition, she maintains a private practice in Manhasset, NY where she specializes in adolescent psychotherapy, the treatment of eating disorders, depression, family discord, and sexual and physical abuse issues.

Aside from her impeccable educational and work experience credentials, Gwenn is a life long lover and supporter of camp! She was a camper for many years at a well renowned resident camp, and stayed on as both a counselor and then as a group leader. Gwenn also served as a group leader at a large Long Island day camp. She is a mom to three teenagers, each of whom attended resident camp.

Gwenn will assist us in identifying topical issues that are important to you, helping us with practical solutions and advice through periodic newsletters and other communications, and will also be available for pre camp orientation presentations and workshops.

She will be joining us on Thursday March 18th at Tri-State, so please stop by booth # 428 and say hello. We encourage you to talk to Gwenn about issues you would like her to address and any other items that come to mind!

We are looking forward to a terrific 2010 summer and are eager to help you in every way we can!
