

What's New: Two Major Enhancements to Your B&B Camp Portal Website Login

- We have completely retooled the Driver MVR Portal on our website. Testing shows a significantly improved user experience. If you already have login credentials, you may access the portal as you always have and most screens will look familiar. The primary change is when resubmitting previously entered drivers: you will now select the drivers, choose "Bulk Actions," and resubmit them in a streamlined step. **If you do not currently have website login credentials, please follow the simple instructions below to create an account.**
- We have also uploaded a staff orientation presentation from one of our top camp leadership speakers, Mike Mellen, Executive & Camp Coach. The video includes discussion questions you can use during breaks to actively engage your staff. We strongly encourage you to view this presentation, as it is a powerful and practical teaching tool. To access the video, you must first create an account. **If you already have an account, please scroll down to the section titled "Logging In & Accessing the Staff Orientation Video" for next steps.**
