Explore all that is offered

- **Navigating Camp Safety Course:** training for directors, program staff, and designated safety and youth protection roles for camps and youth-serving programs. Helping leaders identify hazards and build a safety-first culture.
- **Interactive Risk Assessment Tool:** a customizable review and process for your camp or YMCA to utilize across your operations.
- **Resource Library:** policies, templates, checklists, and guides, ready when you need them.
- **Community Connections:** a network of camp and youth organization professionals sharing what works.

Everything on the platform is free, and your data stays confidential.
